Hi all,

We received comments from OMB on the QFR that ORD drafted on censored science. While the suggested language is for after August 16th, OCFO would like to respond to OMB before that date. If for any reason our responses do not go out before August 16th, OMB suggested the language in the document to be included which is what needs to be reviewed. Please let us know your thoughts and comments by August 15th if possible.

Thank you!

Jamie
